# Digital Humanities Colloquium

Pandoc and Markdown:

Better Ways for Tracking Your Revisions

USD Humanities Center (Serra 200)
Wednesday, March 7, 2018 / 12:30 pm – 2:00 pm
A light lunch will be served

University of San Diego®

Student and Faculty Writers! Whether you are a creative writer or an academic writer, occasions arise when you need to manage revisions of your work. Join us for this colloquium and demonstration of Pandoc and Markdown -- two DH tools designed for tracking and managing revisions.

Presented by Paul Evans, Humanities Center Postdoctoral Fellow in Digital Humanities
